**AGREEMENT**

The modem will be installed during the next available appointment (technicians will take a key to the apartment if tenant is not home) unless arrangements are made for an appointment. I agree to return the same modem that was issued to me by Highland Hills Apartments when I stop my high-speed internet service with KMS. If I do not return the modem within 5 days of the end of service, or within 5 days of my lease ending date, whichever is first, I understand that Highland Hills will bill me \$95.00 or have it charged to my security deposit to cover the cost of the modem. *The modem must be returned to the office to avoid the charge, not left in the apartment.* There will be no charge if returned, unless the modem is damaged or not useable. I understand that there is a \$25.00 hook-up fee for the modem that I am renting.
